

# Reception registration of interest form

Complete this form to register your interest in enrolling a child in a South Australia government primary school. Once completed, submit the form via email or in person to the school. Contact the school if you need help to fill out this form.

You can register your interest to more than 1 school by completing this form for each school you are applying to. Priority enrolment is given to children who live in a school's local/zoned area, and priority groups, including Aboriginal children and children in care. You can check the child's local school at [www.education.sa.gov.au/findaschool](http://www.education.sa.gov.au/findaschool). Note: for children living in wider metropolitan and regional areas the local school may not necessarily be the nearest school, but the school serviced by a department school bus. If you are unsure contact the school.

Submission of this form **is not** a guarantee of enrolment. The school will be in contact before the child's expected school starting date. If a place is available, you will be given an enrolment offer and an enrolment form to complete. For more information on enrolling in school click here: [www.education.sa.gov.au/enrolment](http://www.education.sa.gov.au/enrolment).
