BPS Anti-Bullying Agreement

Respect

Responsibility

Honesty

At Blakeview Primary School we want all students to feel safe.

Signing and following this agreement makes sure that you and everyone else has fun and stays safe at school. Read through it carefully and make sure you understand it before signing. Take it home and share it with your parents so they know you are going to stay safe and be respectful at school.

What is Bullying?

Bullying is when someone:

- keeps picking on you again and again and tries to make you feel bad
- keeps physically hurting you (such as hitting or punching or kicking)
- says or does lots of mean things that upset you
- makes fun of you a lot
- tries to stop you from joining in or make others not like you

Sometimes you might have a fight or argument with someone. If it happens once, it is not bullying even though it can be upsetting. It is also not bullying if you sometimes fight with a friend and sort it out.

1. I promise to keep myself safe and use ACT:

If I am being bullied, I need to ACT to stop it

- A – Ask them to stop
- C – Collect a witness
- T – Tell an adult at school

I promise to tell an adult I trust, like a teacher, counsellor, principal, parents or caregivers. I will tell them who is responsible, when it happened, how often it happens and what I have done to try and stop it.

2. I promise not to be a bullying bystander:

- I promise not to spread hurtful rumours that I hear from other people.
- I promise not to tease, harass or bully someone in revenge.
- I promise that I WILL tell an adult when I know someone is being repeatedly teased, harassed or hurt.

3. I promise not to be a bully:

- I promise to respect all other students.
- I promise to respect all other students' belongings.
- I promise to always treat others how I would like to be treated.

I understand that I need to report bullying as soon as possible and I promise to help prevent bullying at Blakeview Primary School
